NATIONAL SCIENCE DAY CELEBRATION

2023-2024

The Green Biotech Club, Department of Biotechnology of the St Xavier's College took the initiative to celebrate the National science day on 28th February, 2024. The day was celebrated by organizing scientific lecture session by renowned medical personnel, Dr. Dipan Sarkar, Part time Medical officer, Urban Primary Health centre, Burdwan on "PCOS: among the students on the focal theme of booming Biotechnology. The main objective to celebrate this day in the college is to make the students aware, enthusiastic and innovative in the field of Science.

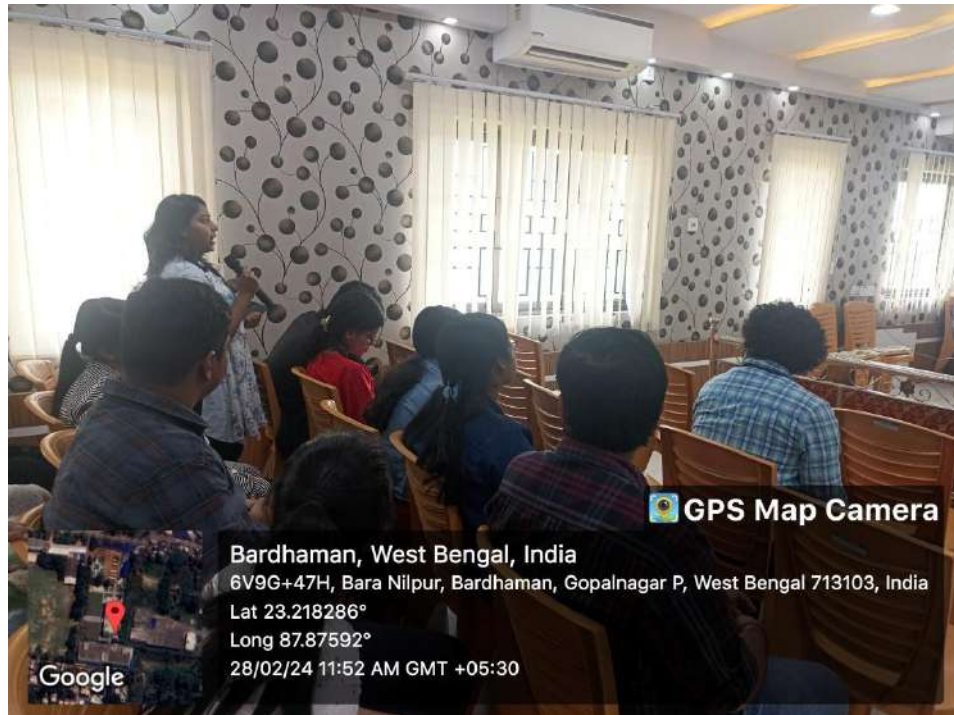

The event commenced with felicitating the chief guest Dr. Dipan Sarkar. The event was inaugurated with lighting the lamp by the chief guest, Principal and all departmental HODs.

The chief guest and principal of the college encouraged and motivated the students with a short speech. Cultural events of the inaugural ceremony have entertained the students and faculties.

The chief guest Dr. Sarkar spoke at a length on the basic causes , diagnosis, prognosis and occurrence of the trait and provided insights to the Indian and global status of the same. He

further suggested to maintain a healthy lifestyle and pointed some restrictions to be absorbed to avoid this syndrome. He also spoke about the medication, drugs and their side effects in this concern. Thus he was able to provide a holistic image of this gynecological issue which developed a transparent idea to the students and the faculty members of multidisciplinary departments. His lecture was followed by a brief interactive session which saturated the enquiries of the present participants and they seemed satisfied.
